

## **CROSSWALK Installation**

**UTOPIA TOOLBOX, USA/D  
Nick Tobier, Juliane Stiegele, 2017**

**In Golden Gate Park, San Francisco,  
we installed a crosswalk for snails.  
The red circle marks one of the animals crossing the street.  
In the future, all plannings and developments  
need to include the issues and needs of animals, too.**
